2006 swim accessories guide

By Jay Prasuhn

There're two types of pool and beachgoers: the oiled ones catching rays—and us, in the water putting in work for the race season. And while gaudy Dolce and Gabbanas have their place, triathletes need the right gear to get the most out of each training session. Enter some of the best swim accessories of 2006.

TriSwim Hair & Skin Care

Got *eau de chlorine* on your skin and in your hair? TriSwim's shampoo, (\$10) wards off green-chlorine hair by removing copper deposits from chlorinated pool water, with the conditioner (\$15), body gel (\$10) and fresh citrus lotion (\$10) removing chlorine scent from the skin. tri-swim.com
